Dear Lola, Beth, and the Entire Tailfin Staff,

We would like to thank you for all of the time and effort you committed in building our School's Website. Your generous donation is greatly appreciated. We are so excited about Springdale Park Elementary and your work has been an integral part of our launch.

The website you designed is fantastic, easy to navigate, looks amazing, and has served as a critical component in our campaign to raise awareness, educate the community, and drive fundraising. Beth was great to work with, extremely accommodating, and her creativity has made a significant impact in defining our new school. Although we never met them, your web development team must be exceptional as well as they delivered a site that works perfectly in record time.

On behalf of the entire Parent Teacher Organization Board (PTO) and The Springdale Park Elementary School Community, we sincerely thank you for your support and look forward to growing together in the future.

Sincerely,

David Rein
